From Alex With Love

From the tragedy that took Alexzandra Loos from us, a memorial scholarship began. The "From Alex With Love" scholarship was created to honor a graduating senior who portrays the personal qualities that Alex held dear.

Through involvement in sports, music, community activities, family and church, Alex showed love, kindness, determination, and compassion for others. These are just a few of the things that made Alex so special. In 500 words or less, explain what qualities make you special and how you plan to use these in your future endeavors. Please list examples to help show how your personality shines. All essays must be typed, single sided with no applicant name listed.
